COSTUME PAYMENTS

Costume payments resume this month for those making multiple payments. Your daughter's costumes will **NOT** be ordered if at least half of the total amount for costumes has not been paid by this month and/or if you are behind on tuition payments.

PARENT OBSERVATION

As stated in the handbook, November was the last month for parent observation. There will be one additional parent observation during the first week of April. If you are concerned about your child's progress, please call to arrange an mutually convenient time for us to discuss your concerns.

PRACTICE MUSIC

We are starting to learn our dances for the recital in June. It is important for students to practice their routines at home, at least a few times a week.

One CD of the practice music will be provided to each family. Duplicates of this CD may be purchased for \$1 each. (I recommend you save this music on your computer or make a copy of it if your child is rough on CD's!) The CD's do not have the vocal instructions on them - only the music.

If you have a memory card or memory/jump drive, I can give you a file each week of the vocal instructions for the steps we learn that week. If you don't have access to a memory card or jump drive, please ask me about additional options.

There will be a new combination every week or two so **please make sure you get an updated copy of the vocal instructions each week.**

I do keep track of those students on a "star chart" and find that those students who have their vocal instructions updated regularly **and** practice at home show improvement in class.

CLASS ATTENDANCE

As we begin our recital routines, one of the problems we have is attendance. It seems as though weeks will go by before we have a 'whole' class sometimes! Your child's class needs to begin dancing as a group, with everyone there every week. This is especially important if we are utilizing partners or other special effects in her dance. Continual absences are very stressful on both the teacher and the students. Please make every effort to have your child at the class every week.

INCLEMENT WEATHER

When Farmington R-7 Schools are closed because of snow or other inclement weather, we will usually not have dance classes. **Please call me if in doubt.**

Please refer to your handbook for additional information.

Keep in mind that tuition is based upon the full year of 34 lessons and is broken into monthly installments for your convenience. There are some days built into the schedule to accommodate inclement weather cancellations.
